

RULES AND REGULATIONS

The administration of Customs Public School has devised a set of rules and regulations with the objective of running the institution smoothly and facilitating children in achieving healthy moral growth as well as strong character building.

Code of Conduct

- Students are not expected to come late. In case if a student arrives school late, i.e. after the morning assembly bell rings, he will be allowed to attend classes if the school office grants permission and in case of getting late for three times during a month, the student will be sent back home.
- If a student is involved in any transgression and unsuitable conduct a warning letter will be issued to student. After three warning letters, the student will be suspended from school for a certain period, and after three suspensions the student will be expelled from school.
- Students must come to school in proper uniform, hair cut and shoes. A fine is collected in case a student fails to observe any one of the above-mentioned rules.
- During the academic year leave is granted very rarely by and only in dire emergency. A child absent for any reason, must bring along a written application from his/her parents alongwith a doctor's certificate when required and applicable.
- Students must take care of their belongings. Students should not bring excessive amount of money, cell phones and any other valuable item.
- Students must respect the school building, furniture, and all scientific equipment. Any damage caused deliberately will be punishable and cost of repairs charged to the parents.
- Students will compulsorily attend all school functions. In case a student fails to attend a school function without any prior notice he/she will be penalized.
